REPORT OF SUPERINTENDENT

Hampton School District One continues to be recognized as a progressive, innovative school district dedicated to the pursuit of excellence in academics, athletics, and the arts.

During the 2013-2014 school year our schools did well on the state-required PASS test and improved on High School End of Course tests. The State Department of Education lists Hampton District One as one of the State’s highest performing districts based on report card data and our District’s poverty index.

Our music program is active throughout our schools, and our band won several awards. Our athletic teams continue to perform well while instilling good sportsmanship and work habits in our youth.

Our students have enjoyed their new North District Middle School, and the new concession stand and restrooms at Wade Hampton High School have provided much needed improvements.

Our teachers in each school have voted to be TAP schools. The TAP process continues to improve instruction for all our children. Hampton One is one of only three districts in the state in which each school in the district participates. In addition, significant strides are being made in improving technology as a way of enhancing instruction.

We have accomplished a great deal by working together as a team focusing on our number one goal of improving student achievement. We wish to thank our community for your continued support and our Board of Trustees for their outstanding leadership.
